

Terrell G. Dorn, PE
Director, Physical Infrastructure Team (SES)

Terrell (Terry) Dorn, came to GAO in 2001, primarily leading GAO's oversight work on the U.S. Capitol Visitor Center while assisting other GAO teams in a wide variety of issues related to construction and facilities management. Immediately prior to coming to GAO, Mr. Dorn spent over 10 years in the private sector as a facility manager and construction project manager for Fortune 500 companies in the specialty chemical and energy sectors. In addition, he spent 10 years as a civilian and an engineer officer with the U.S. Army Corps of Engineers, working on civil works and military construction projects both here and in Europe. Mr. Dorn received a Bachelor of Science in civil engineering from Virginia Military Institute. He is a licensed professional engineer in Virginia and has also received the Certified Facility Manager designation from the International Facility Management Association.
